

KETCHAM TECHNICAL DATA

AURORA *Series*

LED Mirror with Polished
Edge Finish

The Aurora Series LED mirrors feature backlit lighting behind the mirror. The wall-glow accent light provides soft lighting around the perimeter of the mirror.

Complete your space with an LED mirror that provides elegance and functionality where you need it.

Model AUR-2436 shown for reference

Mounting: Surface Mounted

Can be mounted vertical or horizontal

Mirror: Polished Edge Mirror

Power Requirements: 100/240 VAC
