

Power button (turns unit on)
 PROG button (adjust programming)
 ENTER button (accepts chosen option)
 ADJUST ▲▼ buttons (scrolls through options)
 RENT button (switches unit to rent mode)

PROGRAM OPTIONS

Press PROG button for program options. Important: Airoma refill must be in place.

1. Set Refill Size: 3000 or 9000 (Default 3000)

2. Set Time Now 24Hr Clock (Default 08:00) Hrs.

10 Min.

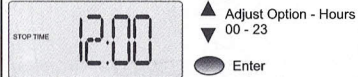

Single Min.

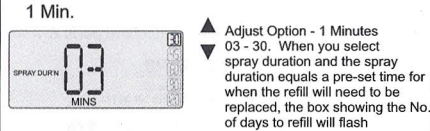

3. Set Start Time (Default 08:00) Hrs.

4. Set Stop Time (Default is 18:00 Hours Minimum 4 Hours from Start time Setting) Hrs.

5. Spray Duration (Default 06 mins) 1 Min.

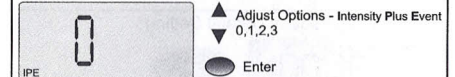

Note: You do not need to specify a pre-set time to proceed

AIROMA IPE (Intensity Plus Event)

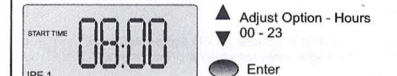

IPE provides increased fragrance up to 3 times per day to coincide with known periods of heavy use.

6. Set IPE (Default 0)

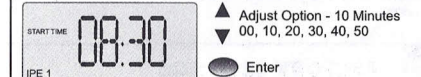

If 0 IPE is selected go to 7
 If 1, 2 or 3 selected go to 6a and repeat settings for each IPE

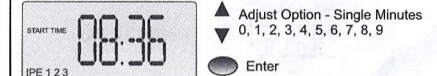

6a. Set Start Time (IPE 1,2,3 will appear for each IPE setting) Hrs.

10 Min.

Single Min.

7. Refill Alarm: (Default On)

If you have programmed a **Spray Duration** that is **not** a pre-set time (30, 45, 60, 90 or 120 Day Icon - refer to section 5) this feature will not appear.

8. Battery Refill Symbol: (Default On)

When programming is complete LCD screen will scroll through all options selected. To review options, press and hold PROG button for 5 seconds.

RENTAL OPTIONS

Rental mode can be selected to override any previous program options. 30, 45 or 60 day options can be selected by pressing RENT button at any time. Pressing RENT button will scroll through options, when correct option is displayed this remains for 4 seconds and then reverts to Next Spray countdown.
