CLIP

Superior scent.

GO

Universal solution.

THROW

Fully recyclable.

30 days of superior scent

Airloop™ provides a high quality and effective fragrance delivery for up to 30 days for toilet bowls and the surrounding area.

Firm and flexible fit

Due to the innovative design of the clip and the flexible EVA material, Airloop™ fits almost any size or shape of toilet bowl and has a firm hold when positioned outside the toilet bowl.

Clip and go, clip and throw™

Using our revolutionary Clip and go, clip and throw™ technology, Airloop™ clips to the toilet bowl tightly yet is easy to replace in one simple action. Due to its design, Airloop™ is fully recyclable without any disposal issues.

Flush safe, limit blockages

Airloop™ is designed to be "flush safe" - the design makes it difficult to flush and limits the chance of toilet blockages.

Recyclable and cost effective

Airloop™ is recyclable and VOC exempt and can be a cost effective solution if budgets are of primary concern.

Multi-purpose and versatile

Due to the way the clip has been designed, Airloop™ can also be placed onto a variety of objects, other than its main use of being clipped on the toilet bowl; such as desks, cupboards, table edges and gym equipment.
