VECTAIR V-AIR® SOLID MVP

MULTI-PHASING PASSIVE AIR FRESHENER WITH SUB-MICRON FRAGRANCE TECHNOLOGY

Cool Mint

Beginning with crisp cedar and pine, the fragrance evolves into a cooling herbal aroma, transforming into a sparkling blend of energizing wild mint and eucalyptus, with a touch of lemon spearmint.

Ocean Spray

Opening with a mixture of clove, jasmine and lemon peel, this floral blend blossoms into a wave of soapy, cool marine musk

Citrus Mango

This fruity cocktail starts with a burst of fresh citrus peel and juicy berries, opening the way to a lively lime with vanilla ice cream, and departing with a punch of peach and mango musk.

Cucumber Melon

A heavenly mix of sweet and subtle. A fresh crush of cucumber leads into a calming melon, which drifts into an uplifting peach

Apple Orchard

Your senses embark on an indulgent journey of taut apple, leading into spicy rich aromas of clove, cinnamon and nutmeg, with a touch of velvety vanilla.
