

VECTAIR
V-AIR[®]
SOLID

Multi-phasing passive air freshener with sub-micron fragrance technology.

Features and Benefits

VOC exempt

Vectair V-Air[®] SOLID is completely free of any solvents, propellants, HFCs and harmful volatile organic compounds (VOCs).

No batteries required

All it needs to work is natural airflow. The refill is 100% organic and biodegradable and the dispenser is 100% recyclable.

Sub-micron technology

Vectair V-Air[®] SOLID particles enable superior fragrance delivery, yet are sized typically below 1.0 micron. This means they are much smaller and lighter than the particles in other fragrance systems, remaining airborne for many hours.

Multi-phasing

The Vectair V-Air[®] SOLID ceramic capsule is infused with high quality perfumes, then complemented by an integrated internal fragrance core. These combine and diffuse powerful key fragrance notes that are subtly different.

Just three parts

The technology behind Vectair V-Air[®] SOLID is packed into one powerful refill component, so we've done the hard work for you – no fuss, just fragrance. A fully recyclable retaining clip attaches the refill to the dispenser.

No liquids

Vectair V-Air[®] SOLID contains no liquids so won't spill, even if it is knocked over.

Science made simple.

A heavenly mix of sweet and subtle. A fresh crush of cucumber leads into a calming melon, which drifts into an uplifting peach.

Your senses embark on an indulgent journey of taut apple, leading into spicy rich aromas of clove, cinnamon and nutmeg, with a touch of velvety vanilla.

This fruity cocktail starts with a burst of fresh citrus peel and juicy berries, opening the way to a lively lime with vanilla ice cream, and departing with a punch of peach and mango musk.

Beginning with crisp cedar and pine, the fragrance evolves into a cooling herbal aroma, transforming into a sparkling blend of energizing wild mint and eucalyptus, with a touch of lemon spearmint.

Opening with a mixture of clove, jasmine and lemon peel, this floral blend blossoms into a wave of soapy, cool marine musk.
